

## **Mission Statement, Aims and Ethos**

At Akeley Wood, we offer nothing less than teaching and learning excellence. We are a unique school where we aim to help your child meet and exceed their goals. From day one and extending throughout their time with us, we aim to unlock your child's true potential by providing the perfect balance between an excellent education, uncompromising pastoral care and the nurtured development of your child's individual qualities. Above everything else, the School is concerned with the individual, and pupils leave the School not only with the best possible qualifications, but also with a set of values and close friendships that will last a lifetime. Confidence and happiness are the hallmarks of our success.
