Introduction

Scholarships are awarded for excellence in one or more fields of the life of the School, or for potential to achieve outstanding results. Awards may be made for Academic, Sport, Music, Art & Design, Performing Arts or All-Round.

The Scholarship Programme is intended for new students entering Senior School at ages 11+, 13+ and 16+ in September 2017. Students attending Akeley Wood Junior School are considered new to the Senior School for this programme so are eligible to apply for a scholarship. Students in Year 11 at Akeley Wood School are also considered new when entering our Sixth Form. The awarding and continued holding of a scholarship or an exhibition requires good conduct and achievement in the School.

Eligibility

All applicants applying for a Scholarship/Exhibition must be registered with Akeley Wood School prior to the submission of an application.

Scholarships for existing students outside of these year groups are rare and are only invited in exceptional circumstances at the discretion of the Head.

The award of a Scholarship or Exhibition is non-negotiable and valid for acceptance for 30 days. If, in any given year, it is deemed that the minimum standards of excellence for awarding a Scholarship have not been attained by an applicant, any or all of the Scholarships/Exhibitions available in that year may remain dormant.

Scholarships or Exhibitions will typically stay in place for the duration of a child's attendance at Akeley Wood School.
