**Scholarships at Akeley Wood**

For September 2021 Entry

AKELEY WOOD  
SCHOOL

Our new scholarships are largely honorific with the student as the focus of the offer.

Students' personal development is central to our scholarship offer. Our programme supports our scholars to "be adventurous, collaborative and future-ready". This programme is for students (both internal and external) with talents in Academia, Creative and Performing Arts, Music, and Sport to enable the individual to develop their passion.

Students apply for scholarships when they are in Year 6, Year 8 or Year 11 and the awards are from Year 7, Year 9 and Year 12 onwards.

Scholarships are awarded at gold and silver level between £500 and £2500 per year (depending on year group and award) and will last for the duration of the students' time at the school.

The scholarships are for students to purchase materials or activities that will enhance their subject knowledge and passion for their subject(s). This could include textbooks, equipment, trips and visits, or online courses. Students will be asked to discuss their planned expenditure with the Head of Department or Head of School.

The value of the scholarship award can be rolled together for a maximum of two years for any un-spent allocation. The award of a scholarship is reviewed annually based on student performance.
