17. Lost or Missing Children

Pupil Supervision and Lost & Missing Children Policy

- 17.1. In the instance that a child is lost or missing whilst on the school site we will follow the following procedure:
- 17.2. If a teacher suspect that a child is missing from a lesson or activity, they will contact the nearest member of SLT and school office immediately.
- 17.3. All remaining children will be kept safe in a secure place with adequate adult supervision, including assistance from other school staff if necessary.
- 17.4. A full headcount will be taken by the teacher-in-charge and matched against the register; usually the class teacher or nominated person.
- 17.5. A senior member of staff will make a thorough search of the building and/or site and immediate surroundings including storage areas and toilets. A thorough check of all exits will be made, to ensure all gates/doors are locked and there is no other way a pupil could have left the site. If something is discovered, the SLT member must be immediately informed.
- 17.6. The following list held in the school office will be checked: attendance register, off site records, and other school clubs.
- 17.7. If the child is not found after this initial search and/or approximately 10 minutes from the initial report of them deemed missing, the school office will inform the Head of School and Assistant Director of Education (Cognita Head Office), including where a child is found wandering or at risk of being lost or missing. The designated safeguarding office in school will be notified immediately and they will ensure that the parents have been informed by the responsible teacher. The Head of School or SLT member in their absence, will decide at which point the police will be called.
- 17.8. All relevant emergency contacts for children will be used to inform parent/carer(s) accordingly. However, until such time as the child is safely returned to the care of the parent/carer(s), the school remains responsible for the care and welfare of the child, including off-site.
- 17.9. As soon as is practicable, the Serious Incident Reporting Form (SIRF) will be completed by the Head of School and sent to the PA to the Head of Facilities. The visit leader (off site) or responsible form/class teacher will make a contemporaneous record to provide full details of the incident in the school's incident report book. A note will also be made on the school's attendance register accordingly.
- 17.10. Near misses will also be recorded and reported to the Director of Education and details fully provided in writing to the school's safeguarding governance committee (SGC). This Report must outline the steps being taken to avoid any repeat incident, communication with parents and actions to be taken following the risk assessment process to mitigate future risk. Any relevant policy and procedure must be reviewed by the school and submitted to UK compliance committee for approval, via Head of Education Compliance.
- 17.11. All incidents will be reported to the Head of Facilities, Head Office, for the attention of our insurers, as appropriate. Staff must try to remember and write down a description of what the child was wearing and any distinguishing features.
- 17.12. If a missing child has any special medical or learning needs then these need to be noted to be disclosed to the police or other agencies.
- 17.13. A thorough search of the premises should continue until the child is found.

Pupil Supervision and Lost & Missing Children Policy

Following the Incident

It is in everyone's interest to resolve what has happened as quickly as possible, consistent with a fair and thorough investigation.

The written findings of the investigation must be reported by the Principal to Cognita Head Office within 48 hours of the occurrence of the incident.

All relevant policies and procedures will immediately be reviewed and revisions presented formally to the Director of Education for approval within 5 working days.

The parent/carer(s) will be involved at all times.

Following receipt of our investigative report, the Director of Education will report their conclusions as to the next steps to further safeguard and promote the welfare of children in the care of the school to the UK compliance committee.

Where the parent/carer(s) remain concerned despite reassurances informally by the school, they may choose to use the school's complaints procedure accordingly.

In the instance that a child is thought to be lost or missing on whilst off-site we will follow the following procedure:

The visit leader must ensure the safety of remaining pupils. At least two adults must stay with them.

One or more adults should immediately start to search for the child.

If the child is not found within 5 minutes, the visit leader must then contact the police by telephoning 999 (within the UK or similar equivalent number if overseas).

The visit leader should alert the school office, or in the case of out-of-hours, the nominated school contact for the trip, that the police have been contacted. The school will make arrangements to notify the parents accordingly. The remaining procedures outlined above in sections 9 and 10 will then be followed.
