Extra Curricular Clubs  
Autumn 2025

## **Guidelines for Pupils**

Please spend some time looking through the booklet and make a note of the activities you would like to attend. You may wish to talk to your friends before deciding.

Your parents/carers will be able to sign you up for clubs via the Cognita Connect app. If the club is full, you may be placed on a waiting list. By signing up for an activity, you are committing yourself every week to attend until the end of term.

If you are unable to attend a session, please bring a note in from your parent/guardian and show it to the relevant teacher before the club starts.

If after the first week of trying a club you wish to change, please ask your parent/guardian to write a letter/email to the teacher leading the club.

You will be able to choose another activity within the first two weeks by asking the teacher in charge if there is room to join. Your name will then be added to the register.

## Guidelines for Parents

Thank you for taking the time to look through this booklet with your child/children. I hope you find lots of activities that they will enjoy. Please encourage your child/children to try something new – you never know they may surprise themselves and find they have a talent for something that they didn't know they were good at.

- Club sign up opens on **Friday 5th September 2025 at 19:30pm** and closes on **Wednesday 10th September 2025 at 12:00pm**. If the club is full, you may be placed on a waiting list.
- Clubs will start on **Monday 15th September 2025** and will finish on **Friday 5th December 2025**.
- External Clubs may start/finish on different dates, please check their separate communications.

A couple of points to remember: Unless stated otherwise clubs that incur an additional fee must be paid for in full by the end of the second week. If payment has not been received by this time your child's place will be suspended until the term's payment has been received in full. All payments are dealt with by the external provider and not through school. Please contact them directly for information.

If your child is in a KS2 sports club they must wear PE/Games kit and trainers. For KS1 sports clubs, trainers are always required.
