1. Academic achievement and recognition
2. Citizenship, character, demonstrating the Akeley Wood Core Values and supporting the ethos of the school

These are recorded on SIMS and tallied at the end of each term. Pupils achieving house point totals (Bronze, Silver, Gold) are rewarded with certificates/awards/prizes, as detailed in the rewards list.
- Reports on sports, trips and other activities given by pupils in whole school assemblies.
- An annual prize giving ceremony is held to acknowledge achievements.
- Senior leadership team send home "good citizen" reward letters to acknowledge students that embody the Core Values of AWS – this could be repeated demonstration of the school's core values, leading a school event or significant service activity.
- Notable academic and extra-curricular achievements are celebrated by announcements in assembly, certificates and medals are awarded in the presence of the whole school. Achievements are also recorded in press releases, Headteacher's newsletters, website content and display areas in school.
- Weekly telephone call 'Friday Phone call' made by the Head of Senior to recognise exemplary work, attainment or effort.

It is important that house points are given out consistently for all students to have the same opportunity of receiving rewards. 1 - 3 house points are rewarded for any example of excellence

## IN CLASS BEHAVIOUR MANAGEMENT STEPS

### **Positive Alternative - The 5-Step Positive Behaviour Reinforcement Strategy:**

**Praise appropriate behaviour:** Acknowledge and praise students who demonstrate positive behaviour, reinforcing their actions and encouraging others to follow suit.

**Award house points:** Always use the house point system where students can earn rewards for exhibiting good behaviour, such as helping others, staying on task or participating in class.

**Group rewards:** Encourage teamwork and collaboration by setting class goals and rewarding the entire class when the goals are met. This can help promote a positive and cooperative learning environment.

**Peer recognition:** Allow students to nominate their peers for demonstrating the school's core values, positive behaviours, fostering a sense of community and support.

**Positive communication with parents/guardians:** Regularly communicate with parents and guardians about their child's positive behaviours and achievements, reinforcing the importance of good behaviour and fostering a supportive relationship between home and school.

### **In-Class Strategy for Behaviour Management:**

1. **First warning:** When a student first demonstrates undesirable behaviour, address them calmly and respectfully, providing a verbal warning about the specific behaviour that needs to change, making it clear what the expectations are.
2. **Second warning:** If the behaviour continues, issue a second verbal warning and remind the student again of expectations, write the student's name as a note or on the board, as appropriate. This serves as a visual reminder of their actions.
3. **Stage 2 Consequence:** If the behaviour persists, the student will be notified and an in-class change may be made eg: the student's seating arrangement – a stage 2 consequence will automatically instigate a 30-minute lunchtime detention. In this detention the following needs to happen:
  - a. **Reflection time:** The teacher setting the detention needs to attend (except in exceptional circumstances) to meet the student and work through the reflection questions (5 minutes, see appendix). If the student fails to attend, parents to be emailed and students given a second opportunity to attend the next available detention. If they fail to attend for a second time an SLT detention will be set.
  - b. **Contact with home:** Parents/Carers to be emailed with notification of the detention details (see appendix).
4. **Behaviour On-Call:** If the behaviour continues after steps 1-3 have been followed, then on-call should be used. On-call can be used for any serious behaviour that reaches stage 3 or higher. If on-call has been initiated, an after-school one-hour SLT

detention will be issued by the head of year who will also send an email home (see appendix).

- 5. Parent/guardian contact:** If the poor behaviour continues or escalates, the student's parent or guardian will be contacted to discuss the situation and collaborate on strategies for improvement (contact will be made by the class teacher with support of HoD, if required, for individual subjects, HoY for poor behaviours across subjects).

### **Expectations of behaviours:**

Expectations of behaviours are all based on the Akeley Wood core values of **RESPECT, KINDNESS, CHARITY** and **RESILIENCE**. We expect all members of the Akeley Wood Community to always embody these values and in all interactions with peers, teachers, parents and visitors.

More specific expectations of behaviours, in specific situations, are outlined below:

- Movement between lessons – to ensure all students feel safe and are safe
  - Move calmly between lessons (on left hand side)
  - Arrive at lesson in a timely manner
- Entering the classroom – to create a positive learning environment with good relationships
  - Line up outside of classroom quietly, uniform worn appropriately
  - Teacher will aim to greet you at the door as you enter
  - Get equipment out and start the first task immediately as you sit
- End of lesson – to end learning in a positive way to enable a smooth and safe transition to the next lesson
  - Plenary / reflection of learning completed
  - Students asked to pack up and stand silently behind desk
  - Reports signed
  - Dismissed in a positive and orderly fashion
- Break and lunchtime - to ensure a safe environment and efficient lunchtime service
  - Use designated and safe spaces
  - Calm and orderly lunch queue
  - Use opportunity to fill up water bottles / use toilet facilities
  - Be respectful of each other's personal space
  - Use designated spaces for sporting activities and wearing appropriate footwear
- Use of the toilets / changing rooms – students feel safe and their personal items are safe
  - Maximum number of students in toilet area relative to facilities (see signs)
  - Leave toilets as you would wish to find them

### Akeley Wood Community Service

In line with the community spirit and ethos of Akeley Wood, students sanctioned under Stage 3 may be required to undertake duties to improve the school environment and support staff. Valuable tasks may be carried out to this effect:

- Day-to-day tidying of the school premises;
- Litter-pick and maintenance of the school grounds;
- Additional support to aid staff with general duties ie. cleaning, filing
- Minor maintenance and appropriate DIY jobs to assist administrative staff.

If a student's behaviour is of particular concern, one or more of the following may be put in place by the school:

- Behaviour Plan or Report Card
- Risk Assessment

## **Summary**

### **Rewards:**

- Staff to reward 1, 2, 3 house points under the categories on SIMS. 'Other' is also a valid alternative.
- Penultimate week of term – reward points are totalled on SIMS (admin to run 'report').
- End of term 'Celebration Assembly': The house with the highest running total of house points receives the house trophy.
- End of Year: An assembly will be held after the summer exam period to announce and reward the form class with the most house points. This class will then choose to have a pizza party / popcorn and film party which will be held during the last week of term.

### **School Rules:**

- Core Values – Be Brilliant
- Expectations of behaviour

### **Consequences:**

Stage 1: Verbal Warning

Stage 2: Middle Leader Detention (lunchtime)

Stage 3: SLT/HoP Detention (Wednesday after-school – see rota)

Stage 4: SLT Day Isolation

Stage 5: Fixed Term Exclusion / Permanent Exclusion

Stage 6: Permanent Exclusion

- All information to be recorded on SIMS (iSams when ready) as a behaviour record.
- Every Wednesday, a report will be generated to highlight students on 'Stage 3'. Parents will then be contacted, and that student will be required to attend an after-school detention the following Wednesday, giving parents a week to forward plan. e.g., Student X receives a 'Stage 3' sanction on Monday 24<sup>th</sup> April. Report generated on Wednesday 26<sup>th</sup> April and parents contacted via e mail (standardised letter). Student X then attends detention on Wednesday 3<sup>rd</sup> May.
- Stages 4/5/6 – go straight to EH, RL, SB or LDA.
